RE: Statewide Regional Nutrition Consultant Coverage

I am pleased to announce that Josie Emunah has joined our Nutrition Services Branch staff as the Regional Nutrition Consultant for the north central part of the state. Josie is a Registered Dietitian with a MS from the University of Kansas Medical Center. She has experience as a local WIC Coordinator and as an intervention coordinator with UNC Center for Health Promotion and Disease Prevention. Now that Josie has completed orientation, we are making some changes to the county assignments statewide in order to better meet the needs of the Branch and local agencies. These changes are effective March 1, 2012.

Please refer to the attached map to determine if coverage for your agency has changed. The map identifies each county’s Regional Nutrition Consultant and her contact information.

I appreciate your cooperation as we make the transition to this new coverage. If you have questions, please contact me at josephine.cialone@dhhs.nc.gov or (919) 707-5777.
