

Public Health Nurse II 723623

Salary Range: \$53,687 - \$84,854
Closing Date: 05/24/2019

Purpose of Position:

To coordinate, direct, and provide nursing services for the Child Health Program, including infant/postpartum home visits, for Pitt County clients. Provide preventative health care to patients receiving personal health care services at the Pitt County Public Health Department following agency policies, procedures and standing orders.

Knowledge, Skills, & Abilities:

Considerable knowledge of, and skill in, the application of nursing theory, practice, principles, and techniques employed in the field of public health and related programs; considerable knowledge of and ability to apply the principles and practices of public health; knowledge of available resources and organizations and the ability to coordinate these as needed; general knowledge of current social and economic problems relating to public health, including health disparities; ability to plan, coordinate, and oversee the work of others; ability to deal tactfully with others and to exercise good judgment in appraising situations and making decisions; ability to work in partnership with patients and with other service providers to elicit needed information and to maintain effective working relationships; ability to record accurately services rendered and to interpret and explain records, reports, and medical instructions; adequate computer skills to allow communication, patient record documentation, and accessing of information.

Required Minimum Training:

Graduation from a four-year college or university with a B.S. in Nursing which includes a Public Health Nursing rotation and one year of Public Health Nursing experience; or Master's in Public Health and graduation from a school of professional nursing and one year of professional nursing experience; or graduation from a school of professional nursing and two years of professional nursing experience including one year of Public Health Nursing experience; or an equivalent combination of training and experience. Registered Nurse currently licensed to practice in North Carolina. Valid North Carolina Driver's License, proof of Measles, Mumps, Rubella and Varicella. Immunized against Hepatitis B prior to employment or begin upon employment but prior to clinical work.
