

NOTICE OF POSITION VACANCY

TITLE: Lead Public Health Nurse (Child Health & Immunizations)		
DEPARTMENT: Health		FILING CODE:
PAY RATE: \$55,180 to \$71,734	PAY GRADE: 72	FLSA STATUS: Exempt
DATE POSITION AVAILABLE:		5/1/18
DEADLINE FOR ACCEPTING APPLICATIONS		5/15/18
DESCRIPTION OF DUTIES: Registered Nurse position that has oversight responsibilities regarding the Child Health/Immunizations programs. Services are provided in clinic setting and through community outreach activities. Provides direction to various clinical staff working within these programs and manages clinics for assurance of quality patient care. Serves as immunization coordinator for local providers that participate in the state vaccine program. Serves as a consultant to county public school nurses on child health issues. Will develop goals, policies, and procedures for assigned programs. Performs other related duties as required. This position is under the supervision of the Health Services Nursing Director.		
TRAINING AND EXPERIENCE REQUIREMENTS: Graduation from a four-year college or university with a Bachelor Science Degree in Nursing which includes a Public Health Nursing rotation and three years Public Health Nursing experience; or graduation from an accredited school of professional nursing and four years of nursing experience, three of which must have been in public health; or any equivalent combination of education and experience which provides the required knowledge, skills and abilities. A current license to practice as a Registered Nurse in North Carolina by the North Carolina Board of Nursing and a N.C. Driver's License are required. Must be certified in CPR.
