

Public Health Nurse II or III

The Cabarrus Health Alliance (CHA) is seeking an energetic and motivated Public Health Nurse. The Communicable Disease team is made up of eight (8) staff who work as part of a larger clinical services team at CHA. Clinical Services include Pediatrics, Maternal Health, Family Planning, Dental, and WIC services.

CHA is the provider of public health services for Cabarrus County, North Carolina. CHA's primary office is located in Kannapolis adjacent to the North Carolina Research Campus with an additional location for dental services in Concord. CHA is state and nationally accredited. These designations are a direct reflection of high quality performance expected from all staff. CHA has 220 employees.

The primary responsibilities of this role include STD testing and treatment, and HIV testing and counseling (approximately 80% of the role). Other job responsibilities include Tuberculosis (TB), Communicable Disease follow-up, outbreak management, immunizations and International Travel using federal, state, and local laws to support public health intervention and practice (approximately 10% of the role). Also involves education for peers and within the community (approximately 10% of the role). **Candidates should have extensive experience in STD testing and treatment.**

This position requires graduation from an accredited school of nursing, BSN preferred, which includes a public health rotation; or a combination of education/training and experience. **NC Adult Health Expanded Role Certification required within 1 year of employment, if not already certified.**

Candidates who do not currently have the Expanded Role Certification will be classified as a Public Health Nurse II until the certification is received.

Top candidates will be invited to interview with a multi-disciplinary panel.
To apply for this position, please visit www.cabarrushealth.org/jobs for an application.
We look forward to meeting you!

Full time, exempt; 40 hours per week

Salary Ranges: Public Health Nurse II: \$42,577.60 - \$65,745.42 or Public Health Nurse III: \$44,728.58-\$69,036.50

Our mission: To achieve the highest level of individual health through collaborative action.
Cabarrus Health Alliance is an equal opportunity employer.
