

Job Title: Public Health Nurse I (Floater)
Hiring Salary Range: \$46,261 - \$75,479
Starting Salary: \$46,261
Appointment Type: Full-time
Location: Health Department
Posting Date: August 18, 2017
Closing Date: August 29, 2017

Attention Applicants:

To apply submit a Franklin County application or PD 107 to Franklin County Health Department, Attn: Scott LaVigne, 107 Industrial Drive Suite C, Louisburg, NC 27549 by 5:00 p.m. on the closing date. Resumes are not accepted in lieu of County applications. A separate application is required for each position for which you want to apply. **Please attach a college transcript and references.**

Position Summary:

This position will have direct clinical experience in all clinics in a local health department (including: Child Health, Family Planning, Maternal Health, Adult Health, Immunizations, STD, Communicable Disease and Nurse Clinic). Will assist program coordinators as needed with various program requirements and activities.

Education or Experience Requirement:

Graduation from a four-year college or university with a B.S. Degree in Nursing, which includes a Public Health Nursing rotation; or graduation from an accredited school of professional nursing and one year of professional nursing experience; or an equivalent combination of training and experience.

Special Requirement:

Must have a current license to practice as a Registered Nurse in North Carolina by the NC Board of Nursing and a valid NCDL.

Benefits:

Two insurance options (1 employer paid 100%; one employee contributes); insurance begins the first day of the month after 30 days of employment; employer paid 4% 401K; life insurance; 12 paid holidays; paid vacation and sick leave.

Required Immunizations:

The following are immunizations that we require for all employees prior to the first date of employment:

- Two step TST (skin test) If you have had a negative TST within the last 12 months, you must have another one completed prior to employment
- Proof of MMR (measles, mumps and rubella) immunity: You must have documentation of two doses of measles, mumps and rubella given at least 28 days apart or laboratory evidence of immunity or laboratory confirmation of disease
- Hepatitis B series: Either evidence of 3 doses; signed declination form or lab evidence of immunity
- Evidence of Tdap vaccine
- Evidence of varicella immunity: You must have documentation of two doses of varicella given at least 28 days apart or a history of varicella or herpes zoster based on physician diagnosis or laboratory evidence of immunity or laboratory confirmation of disease

Franklin County is an Equal Opportunity Employer.

The County prohibits discrimination based on race, sex, color, creed, national origin, age or disability.

Pre-Employment Drug Screen and Criminal Background Screening is required.
