Job Title: Public Health Nurse III  
Hiring Salary Range: $53,552 - $87,376  
Starting Salary: $53,552  
Appointment Type: Full-time  
Location: Health Department  
Posting Date: April 12, 2017  
Closing Date: May 12, 2017

Attention Applicants:  
To apply submit a Franklin County application or PD 107 to Franklin County Health Department, Attn: Scott LaVigne, 107 Industrial Drive Suite C, Louisburg, NC 27549 by 5:00 p.m. on the closing date. Resumes are not accepted in lieu of County applications. A separate application is required for each position for which you want to apply. Please attach a college transcript and references.

Position Summary: The primary responsibility of this position is to function as a Child Health Expanded Role Nurse and perform well child examinations. Employee obtains a health history, performs a physical examination, helps the client to maintain a state of wellness through periodic screening procedures, health counseling, treatment under physician standing order, and/or referral to the appropriate physician or clinic.

Education or Experience Requirement: Completion of approximately three months of training that includes both a didactic and on-the-job supervision phase in the expanded role specialty of child health AND graduation from a four-year college or university with a BS in Nursing which includes a Public Health Nursing rotation and two years of Public Health nursing experience; or a Master’s in Public Health and graduation from a school of professional nursing and two years of professional nursing experience; or graduation from a school of professional nursing and three years of professional nursing experience including two years of Public Health nursing experience; or an equivalent combination of training and experience. Expanded Role RN completion preferred, but will consider training qualified applicant after hire.

Special Requirement: Must have a current license to practice as a Registered Nurse in North Carolina by the NC Board of Nursing and a valid NCDL.

Benefits: Two insurance options (1 employer paid 100%; one employee contributes); insurance begins the first day of the month after 30 days of employment; employer paid 4% 401K; life insurance; 12 paid holidays; paid vacation and sick leave.

Required Immunizations
The following are immunizations that we require for all employees prior to the first date of employment:
- Two step TST (skin test) If you have had a negative TST within the last 12 months, you must have another one completed prior to employment
- Proof of MMR (measles, mumps and rubella) immunity: You must have documentation of two doses of measles, mumps and rubella given at least 28 days apart or laboratory evidence of immunity or laboratory confirmation of disease
- Hepatitis B series: Either evidence of 3 doses; signed declination form or lab evidence of immunity
- Evidence of Tdap vaccine
- Evidence of varicella immunity: You must have documentation of two doses of varicella given at least 28 days apart or a history of varicella or herpes zoster based on physician diagnosis or laboratory evidence of immunity or laboratory confirmation of disease
