ESSENTIAL JOB DUTIES:

This position will be responsible for working in and providing consultation in a variety of programs to include Maternity Clinic regular to moderate high risk patients, family planning patients low and high risk patient, sexually transmitted disease and other adult health encounters. This employee will function as a Nurse Practitioner and see a variety of patients, scheduled and walk in problem visits. This provider will in many cases handle the total care of the patient and will be the only clinician the patient will see. This position will obtain thorough patient histories, physical examinations, practice medical acts, which include giving a medical diagnosis, performing appropriate diagnostic and therapeutic procedures, ordering therapy, and prescribing medications outlined in the approved formulary and the collaborative practice agreement. This Nurse Practitioner will also serve as consultant to the medical staff, serves as preceptor to other nurses in training for expanded roles and Nurse Practitioner students from the surrounding Universities. This position works with management in the evaluation, development and implementation of agency policies, and budget planning. Must perform other tasks as required.

KNOWLEDGE AND SKILL REQUIREMENTS:

- Thorough knowledge of techniques of interviewing, medical and relevant history taking, principles and practices of general medicine, gynecological, obstetrical disease states;
- Thorough knowledge of appraisal tools, laboratory tests and results, materia medica, and therapeutic procedures;
- Ability to examine patients and detect abnormalities record accurately and completely all information necessary to evaluate and plan care;
- Thorough knowledge ability to plan a regime of care based on assessment and findings;
- Thorough knowledge of available resources and appropriate referral methods;
- Thorough knowledge and skill in performing specialized and technical test/procedures specific to Women's and Adult Health Care, Colposcopy/Cryotherapy and STD treatment;
- Ability to supervise and coordinate other nursing and medical staff.

EDUCATION AND EXPERIENCE REQUIREMENTS:

- Licensed as a Physician Assistant by the North Carolina Medical Board or approved to practice as a Nurse Practitioner by the North Carolina Board of Nursing and the North Carolina Medical Board and one **(1)** year of experience as a Physician Extender;
- **OR**, an equivalent combination of education and experience.

LICENSE AND CERTIFICATION REQUIREMENTS:

- Must be Licensed as a Registered Nurse in North Carolina;
- Must possess Nurse Practitioner Registration in North Carolina;
- Must possess Nurse Practitioner Pharmacy License in North Carolina;
- Must possess and maintain a valid North Carolina Driver's License.

SPECIAL REQUIREMENTS:

*******This is a safety sensitive position subject to random drug screenings.

PHYSICAL REQUIREMENTS:

This is light work requiring the exertion of up to 50 pounds of force occasionally, up to 10 pounds of force frequently, and a negligible amount of force constantly to move objects; work requires stooping, reaching, standing, pushing, pulling, lifting, fingering, grasping, and repetitive motions; vocal communication is required for expressing or exchanging ideas by means of the spoken word, and conveying detailed or important instructions to others accurately, loudly, or quickly; hearing is required to perceive information at normal spoken word levels, and to receive detailed information through oral communications and/or to make fine distinctions in sound; visual acuity is required for preparing and analyzing written or computer data, operation of machines, operation of motor vehicles or equipment, determining the accuracy and thoroughness of work, and observing general surroundings and activities; the worker is subject to inside and outside environmental conditions. The worker may be exposed to bloodborne pathogens and may be required to wear specialized personal protective equipment.

BENEFITS:

- **Health Benefits** including medical, dental, prescription drug plan, flexible spending accounts;
- **Life Insurance, Retirement and Investment Plans** including membership in the NC Local Government Employees' Retirement System, NC 401(k);
- **Voluntary Insurance Programs** such as short-term disability, accident, cancer, etc.;
- **Holiday, Annual and Sick Leave** for eligible employees.
